

# VOTE YES SAISD BOND 2020

Building on Student Excellence

The SAISD Bond 2020 is a bold step to completely renovate some of the District's oldest and largest schools, finish out other schools that have received partial updates in prior bonds and provide all of the District's more than **90 schools with updated safety and technology systems.**

**EARLY VOTING:**

**October 13-30**

**ELECTION DAY:**

**November 3**

Two separate propositions will be on the November 3 ballot for school renovations and technology.

## VOTE YES

to ensure that every student is provided with the best and safest school environment where they can learn and achieve at the highest levels.

## VOTE YES

to help achieve the District's vision of becoming a national model urban school district – **grounded in commitment to equity and excellence for all SAISD students.**

## Proposition A – Renovations, Finish Out, and Upgrades

- Complete renovations for 36 campuses
  - Major renovations at 21 schools whose main buildings have not been fully renovated in more than 50 years, and most with 30-year-old infrastructure
    - Replacement of aging ventilation and air conditioning systems with state-of-the-art systems that allow for fresh air circulation
    - Safety modifications to include secured campus entries
  - Final phase to finish out 15 schools that received partial updates under previous bonds
- Replacement of aging chillers for an additional 30 campuses
- Updated security camera systems for all of the District's schools

Total Prop A  
Investment –  
**\$1.21 Billion**

## Proposition B – Technology Upgrades

- Technology upgrades in all SAISD schools, equipping every classroom with:
  - High-speed connectivity
  - Audio systems
  - Digital devices
  - Support tools
  - Interactive smartboards

Total Prop B  
Investment –  
**\$90 Million**

**NO TAX RATE INCREASE**
